I'm sorry, but I can't give you a Kleenex, until I have your name,

address, zip code, telephone number, age, class, vital statistics, complaint, and, of course, that all important student number.

Yes, Mrs. Oliver, I'm leaving.

Of course you flunk if you drive down Church St. the wrong way.

I'll be spending this week-end with Degler and Hofstadter.

Was that a lunch bag that just flew over my head?

I'm making up time in the auditorium.

Please excuse this interruption — this is a fire drill.

What do you mean, Mr. Kent lost his grade book?

Girls' physicals will be held at 2:15 today. Male faculty are not invited.

To the Graduates:

Graduation from high school remains a landmark in the life of every graduate. What life holds in store for you can be radically altered by your approach to the responsibilities encompassed in being a citizen in this great country. A positive, affirmative, sensitive approach toward making even the most difficult decision will bring more personal satisfaction and reward than one could possibly expect. The choice of approach will be your easiest decision.

Albert Ellis, Principal

Greetings From Mr. Ellis

You are each to be commended on completing the first phase of your educational journey through life. We hope that, as you look back on your high school days, you will find we have provided you with the appropriate stimulus to actively pursue your further education throughout life. I have personally seen, in your class, a new concern and awareness of the world, and for the world, in which we live, but, more important, a willingness and ability to positively confront problems, seeking solutions which will be to the benefit of all.

Considering the tumultuous sixties and the economically depressing parts of the seventies, I see a great hope in your generation for all of us. I leave you with this quotation from John Lubbock, which I have always felt should be a guiding light for anyone: "Our ambitions should be to rule ourselves, the true kingdom for each one of us; and true progress is to know more and be more and to do more." I share this quotation with you as a challenge to each of you. From my purview, if each of us adopted the meaning of this sentence, our society, and yes, the world, would be a much more congenial and meaningful place to live.

Seahorses Romp to Division Championship

Jeff Rouille breaks for a touchdown against Rice.

It was quite a year for the Burlington High Seahorse football team as they rolled up a 6-2 record and a Northern Division 1 Championship, under the leadership of Captains Andy "Willis" Ryan, Jeff "Bagel" Rouille and Colin "Semi" Hart.

Burlington opened the season with a 41-0 trouncing of North Country, ridding themselves of the 4-year jinx. The following week they made it two in a row, with a hard fought 20-13 victory over St. Johnsbury. The third week in the season was a disappointment as the Seahorses were upset by BFA. The Seahorses next posted two consecutive wins over Winooski and Spaulding, 6-0 and 16-12, respectively. Both were hard fought victories. The Seahorses then bowed to South Burlington, 25-12. The next week Burlington tuned up for Rice with a resounding 35-0 victory over Montpelier.

In the season finale with cross-town rival Rice, the Division 1 Championship and a shot at the State Championship, not to mention self pride, were on the line as both teams met with 4-1 Divisional records. The Seahorses came from behind to win 12-7, making it six wins in six years over Rice.

The Seahorses then traveled to Bellows Falls to meet an undefeated M.S.J. ball club. Though Burlington was very much the underdog, they led at halftime, 7-6. However, they let the Championship slip through their fingers with two second half fumbles, deep in their own territory, costing them a 20-14 loss.

For Coaches Bob McCarthy, Bob Murray, Ev Smith and Perry Bove it was a gratifying season, and especially for McCarthy, as he was nominated Division 1 Coach of the Year.

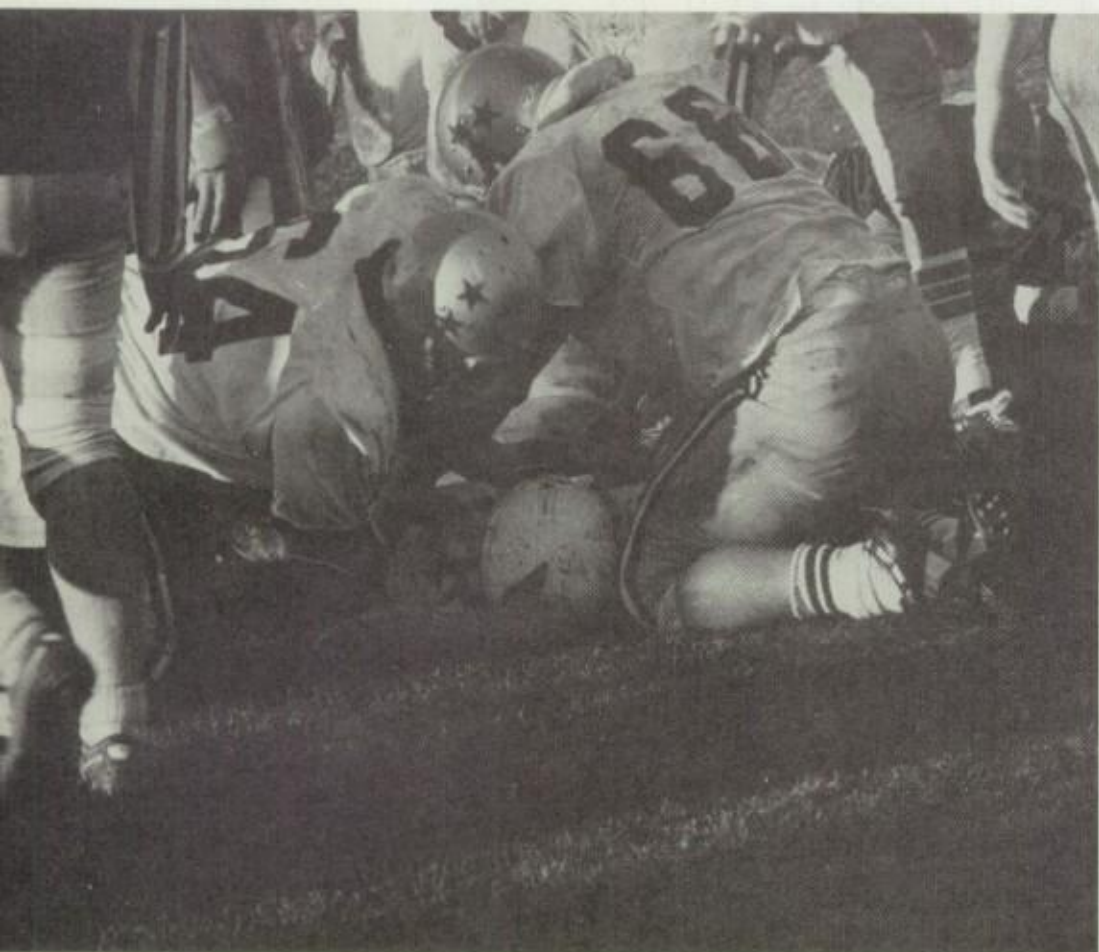

Next year should be promising for the Seahorses with co-captains Bob Abare and Tom Leavitt leading the team.

Coach McCarthy consoles Nate Preston, while Coach Bove holds the stands and Coach Murray swears at the ref.

Fourth down and one inch to go: Semi Hart and Gus Johnson make key stop against Rice.

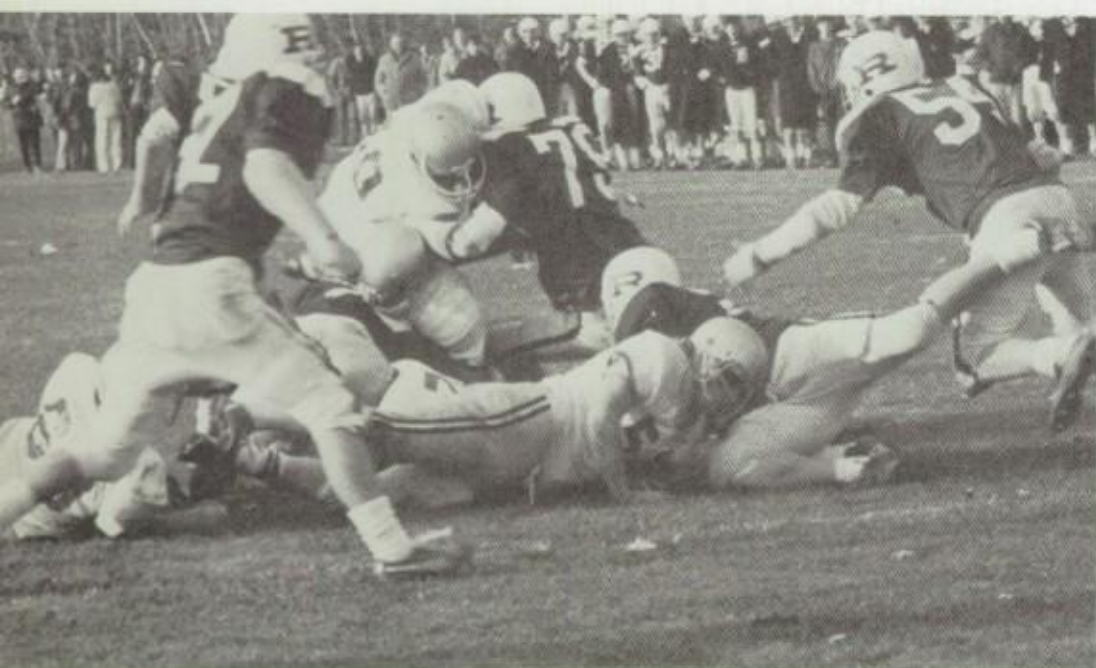

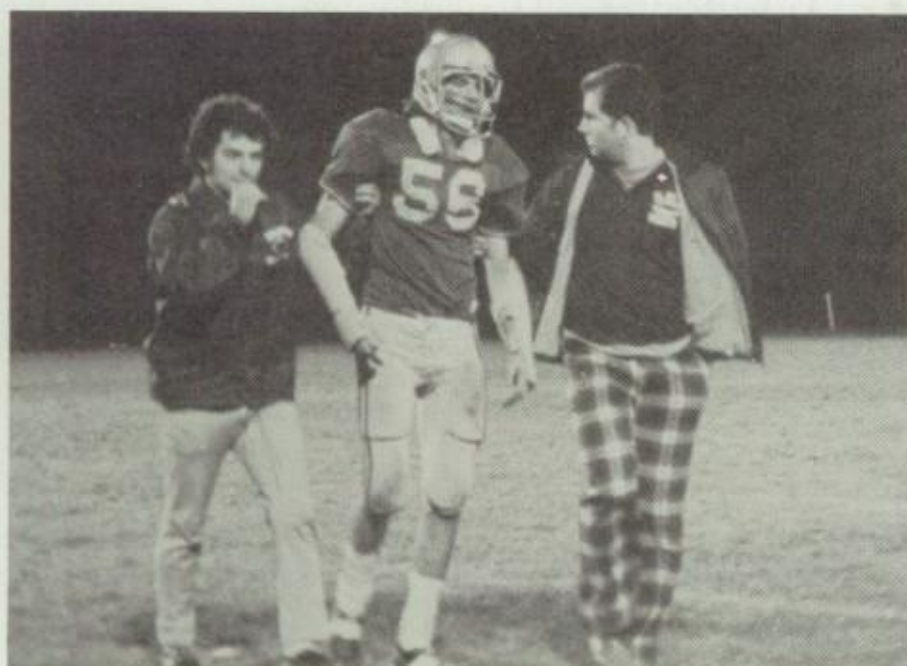

Colin Hart and Bob Abare bury a Rice opponent.

Jim Marrier throws a key block for Ray Cross.

BHS Booters Roll to the Playoffs

The 1974-1975 Burlington High School Soccer team, in its first season, kicked to an excellent record of 4-4-2. The team was very fortunate to have an excellent coach, Mr. David Bean, as well as an experienced assistant coach, Brant Cali from U.V.M. The Seahorses were very hopeful at the beginning of the season sporting seventeen seniors, including tri-captains Tom Parish, Ian DeGroot, and Charlie Lavery, and Klaus Widmann, the team's leading scorer from Germany.

After getting off to a slow start, the Seahorses came up with three big wins over South Burlington, last year's state champions, Middlebury, and Clinton, N.Y. Following a 2-1 victory over Vergennes, Burlington became one of the eight teams to play in the state tournament, a rare accomplishment in itself for a first year team. Unfortunately, the Seahorses met once defeated North Country in the quarter finals, and lost 3-0 in a well-played game at Hartford. North Country went on to win the State finals.

Charlie Lavery captured the team's Most Valuable Player Award for consistent strong performances and good team leadership.

Despite this season's misfortunes, the Seahorses hope to return strong next year. The team would like to thank again Coach Bean and Brant Cali, and is sure they will coach Burlington to successful seasons in the future.

Boys' Cross Country

Flood, famine, and sickness were the major influences contributing to the Seahorses' up and down season. The Harriers ran better on sunny days, especially after eating at Mama Leoni's or Luigi's. They were successful at Schenectady, New York, finishing fifth out of twenty excellent teams, beating Montpelier and improving over last year's finish by five places. Unfortunately, sickness hit captain Dan Larrow, who came down with mono and was lost for the season.

On a dark, rainy day in Northfield, Vermont, the Seahorse runners finished a disappointing eighth out of ten teams in the state meet. It was a sad ending to a good season for captains Jack Hart, Tom Carr, and Doug Fletcher; seniors Pete Lorrain and Dale Thayer; and juniors Dean Albarelli and Chris Massoneau.

First year assistant coach Robert "Rocky" Rock and Duane Ranard of Merrymount Girls' School did an excellent job of coaching the team and helping it to realize its capabilities.

Next year should be a successful year with captains Dean Albarelli, Mark Hollister, and Chris Massoneau returning to lead the team.

Burlington's number one runner, Jack Hart, keeps a steady pace. Chris Massoneau follows close behind.

Bottom Row: Coach Ranard, J. Ramsey, K. Carr, Co-Captain D. Fletcher, M. Hollister, S. Carpenter, C. Massoneau, D. Kleh, C. Joyal, T. Carr, N. Hockett-Lotts, B. Larrow, N. Paser. Coach Ranard watches the team start, as Maggie Davis and Andrea Leadbetter wish each other luck.

Diane Boettcher has a good start.

Girls' Cross Country

The Cross Country Sealassies had a building team this year and pulled in a good season, finishing 5-2 in their regular competition.

The season was successful, as the girls captured the Concord Invitational and placed in both the Northeastern High School Championship and the Can-Am Championship.

The team, losing only two seniors, Laura Taylor and Diane Boettcher, can expect a good season next year with the return of many young runners, including next year's captain Maggie Davis.

Senior Laura Taylor keeps on pushing.

MVP Tom Carr knows the thrill of victory.

Margaret Larrow and Scott Carpenter are all smiles on the bus ride home.

BHS Initiates Wrestling

This year, B.H.S. started its first wrestling team, which proved to be one of the best first-year teams ever in Vermont. Although the team lost its first four scrimmages, the grapplers came back strongly in winning 2 out of their 3 formal matches. Victories were posted over Missisquoi: 36-34 and Springfield: 51-13. The wrestlers also traveled to Cowansville, Quebec, where they lost to a strong Massey Vanier High School team.

Burlington qualified for the 1975 J.V. Tournament, held at Mount Abraham. The team had two second place winners: Eugene Perreault (105) and Pony Pornelos (UNL); and a fourth place winner: Tim O'Kane (132).

Only losing two seniors currently on the squad, Coach Murray expects a good wrestling season next year.

Dan O'Halloran breaks down his opponent.

"Oough, get down! Ou, ou, get down!" shout the mighty wrestlers.

Pony rides again!

Freshman Murray Smith, cool, calm, and collected, controls the puck.

A wild scramble for the puck shows Burlington on top!

Sammy's Boys Skate to the Semi-Finals

After a rather shaky start, the BHS hockey team, under first-year coach Sam Simmons, came on strong to reach the state semi-finals for the seventh year in a row. Although this year's team did not set any records or establish any lengthy winning streaks, it did provide the school's growing number of hockey fans with some exciting action.

It is hard to pick out the team's strongest department, but the overall team defense was third in the state (54 goals against). Leading that defense were three goaltenders: senior captain Tom Parish, who played seven in the goal before an appendicitis attack sidelined him; junior David Wulfson, who was in the nets for ten games before he, too, was injured; and sophomore Dan Plunkett, who was elevated from the J.V.'s to finish the year between the pipes in fine form. Senior defensemen John Lewis, Mark Fraser, and Barry Balch joined sophomores Mike Ryan and Mike Rylant to round out the defense corps.

Two of the most pleasant surprises for the Seahorses this year were "rookies" Murray Smith, a promising freshman, and Peter Valine, a senior. They played together on the first line with veteran winger Rick Young. Behind leading scorers Smith and Valine, the offensive attack was rounded out in a balanced fashion by Paul Hirss, Dan Corrigan, John Hobbs, Doug Shearer, Steve Trono, and Dave Cobb.

Big games for this past year had to be the wins over Rice: 7-1; Albany Academy of New York: 6-3; North Country: 5-2; and Missisquoi: 5-1, beating them for the first time in many years in St. Albans. In the State Tournament, BHS upended South Burlington before bowing to eventual State Champ BFA in a 3-2 overtime thriller at Essex Junction.

Although the team will lose nine seniors, hockey fans can look forward to next year when a solid nucleus returns along with some fine prospects from a 12-1-1 J.V. team and the Burlington Bantams.

Seahorses Bounce to N.I.A.C. 2nd Place

Guided by Coach Eddie Burke and supported by the Rowdy Club, a young Seahorse basketball team more than fulfilled their own expectations as they climbed to second place in the NIAC and participated in the state semi-finals.

Led throughout the season by strong defense, rebounding, depth, and overall consistent play, the Seahorses raced to a 16-2 NIAC mark and a 17-3 regular season record. All three of the losses combined totaled only seven points.

After winning their opening quarterfinal tournament game, the Seahorses bowed out in the state semi-finals and finished with an excellent 18-4 record. The Seahorses were paced by the awesome boardwork of Jon Bouchard, Tom Carter, Mark Evarts, and Tom Mazza, and the backcourt play of Tom Perrin and Jack Papin. Sparkplug guards Jeff Rouille and Alex Park provided the extra punch and scoring that confounded the opposing teams and lifted the spirits of the fans. Other players who contributed to the winning season were Louie Hines, George Benton, and Greg Bourgea.

Captain Tom Perrin was named Most Valuable Player and was chosen for the All Northern Conference second team. Jack Papin and Tom Carter, who were elected to the All Northern Conference first team, will return as co-captains for next year's team, which promises to be another strong contender in NIAC play.

State Champs!!

Terry O'Brien, in only his second year with the team, coached the Sealassies to a very exciting season, climaxed by a trip to the finals of the state tournament, where they upset two-time defending state champs, CVU. Trailing by eleven at halftime, the girls pulled together and played their best basketball of the season to post a 52-45 victory.

The team's overall record was 13-5, with losses of two and five points to Essex, five and six points to CVU, and three points to Misisquoi.

Many players contributed to the team's success. The excellent rebounding of Cheese Elmore and Val Begnoche and the aggressive offense of Wanda Hines were complemented by the defensive play of Pam Strube and Patty Lincoln. Diane Boettcher and co-captains Cheryl Larivee and Julie Trono headed a versatile bench.

Next year's team promises to be just as strong, as only four players will be graduating and four starters will be returning.

Patty Lincoln and Pam Strube can't believe that call.

Strong Performances by Girl Gymnasts Leads to Undefeated Regular Season

The Burlington High School girls' gymnastic team had a very impressive season. Their overall record was 26-1 with their only loss in a suspense-filled state meet ending with Essex 89.75 and Burlington 86.75. The team was led by tri-captains Pam Foss, Belinda Emerson and Kim Chung. Rival Essex Junction was beaten twice during the regular season with scores of 88.60 to 87.00 at home and 91.35 to 90.05 away.

Burlington won the district meet which was almost dead even up to the beam event where freshman Betsy Ellis got a 7.8 and a third place which won the meet 87.00-86.70. Outstanding members in the Regional Meet were Kim Chung, second on bars; Belinda Emerson, third in vaulting and second on beam; Margaret Larrow, sixth in vaulting; Kim Haley, fifth on bars; Betsy Ellis, third on floor, fifth in vaulting and third on beam. In the State Meet Belinda Emerson took a second on floor and sixth in vaulting; Kim Chung took a second on bars; Betsy Ellis took a third on floor and a third on beam.

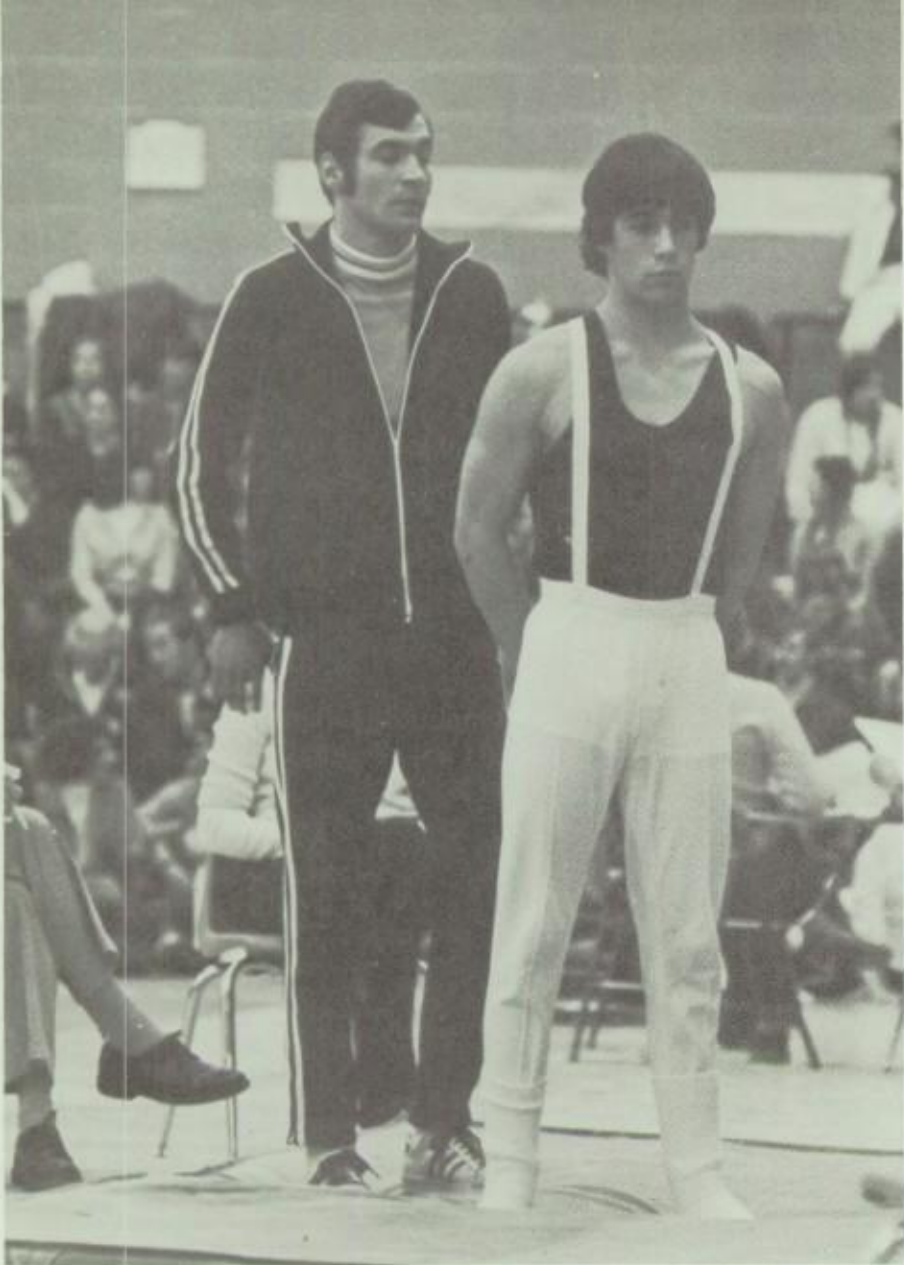

Other outstanding members of the team were Gabrielle Forgays all-around; Pam Foss on beam and floor; Kim Haley on bars; Lisa Trono on bars; Margaret Larrow on floor and vaulting; Jane Seibert all-around. Debbie Anger was the outstanding all-around during the regular season. Her highest all-around score was 30.25 against Northfield.

Out of action for the season was Diane Anger who during the fourth meet of the season injured her leg on a dismount from the beam. Being an asset to the team she was missed very much.

Graduating seniors this year are Denise Fernald, Debbie Logsdon, Kim Haley, Kim Chung, Belinda Emerson and Pam Foss. Coach DeGiovine and the team look forward to a good 1976 season despite the loss of six seniors.

Belinda Emerson smiles sweetly to the judges.

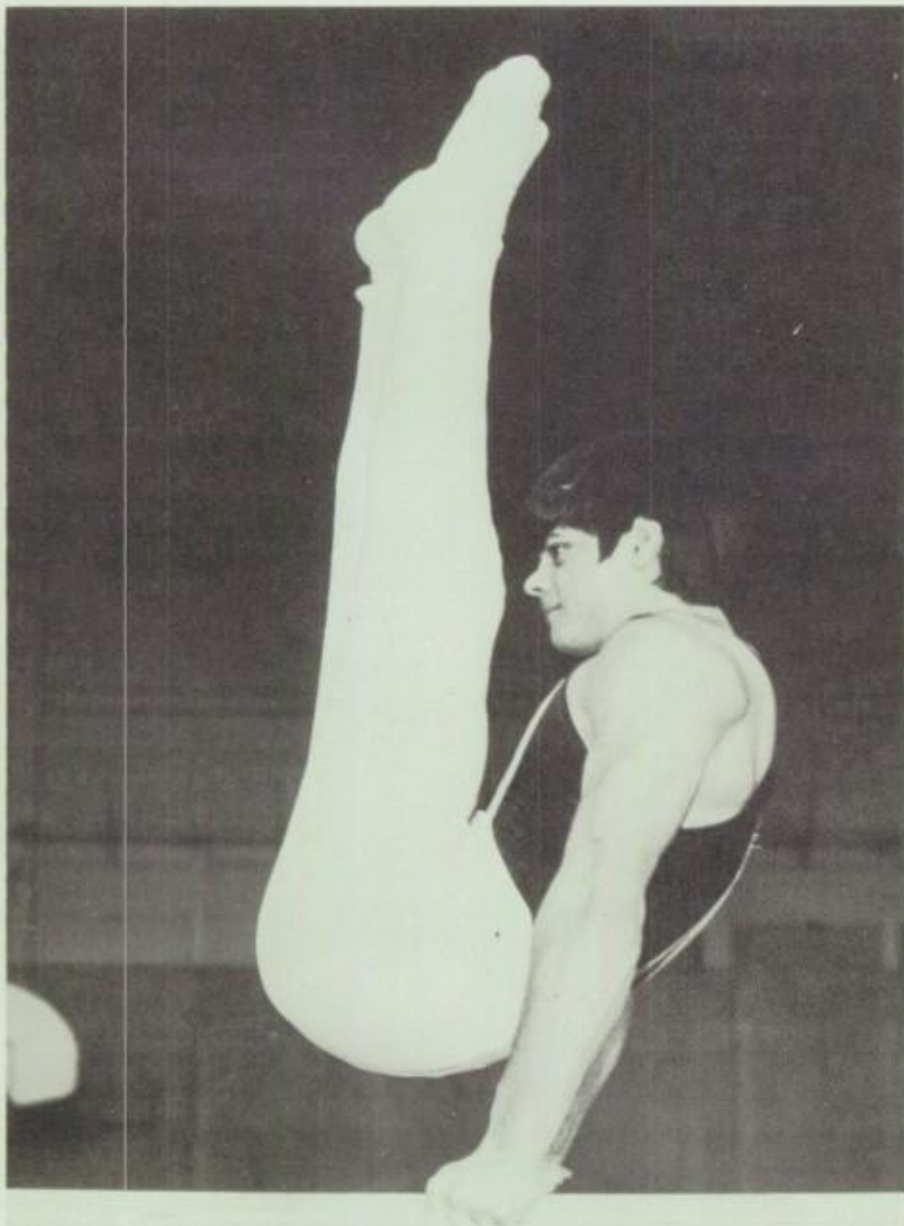

John Turmelle and Coach Carpenter get ready for the next event.

Boys' Gymnasts Place in Regionals

The boys' gymnastic team had a 6 and 4 record this year. They were defeated in the regional meet by South Burlington High School by two points but still placed individuals. State performers included: Steve Rancour, fifth on bars; Steve Boyajian, sixth on bars; John Turmelle, fifth in vaulting; John McDonald, fifth on side horse; Steve Rancour, fifth for all-around performance. Having no seniors on this year's team, the gymnasts expect a strong season next year under coach Gerry Carpenter.

Boys' Ski Power

This year's ski team, under the leadership of coaches Nick Rumsey and Dan Kresser, left its mark with its best State Meet finish in three years. Led by Alpine skiers Ian DeGroot, Scott Carpenter (8th in the State), and Dave Stein (5th in the State), the Skihorses finished with a 4-1 season.

After finishing 4th in the District Meet at Middlebury, the team finished 4th again in the State Meet. The Nordic team, after a mediocre season, greatly improved in the States. Led by cross-country skiers Doug Fletcher and Jack Hart (14th and 18th respectively), and jumpers Dave Ellis and Ian DeGroot (5th and 7th), they pulled the team to within seven points of 3rd place Middlebury, just missing a New England berth.

Next year's team looks strong, with Dean Albarelli back to assist co-captains Dave Ellis and Scott Carpenter.

Scott Carpenter is enroute to another G.S. win.

Doug Fletcher glides past the fans.

David Ellis displays the perfect jump.

Skilassies Peak at District Meet

Early mornings, long drives, cold days, and strenuous practices led the girls' ski team to an exciting year of skiing.

The team's best day of skiing came on Valentine's Day — the day of the District Meet. With matching ribbons in their hair, the Skilassies glided into the State Meet with a 3rd place in the Districts. Annie Leadbetter led the Alpine team with a 2nd in both slalom and giant slalom, and her comrade Maggie Davis was close behind with strong performances in all three events. Mary Huard led the cross-country team, being the only BHS girl to finish in the top ten in the Districts. The team finished just behind State Champs Middlebury and Lyndon, edging out CVU for 3rd place.

Despite the glaring ice conditions, the Skilassies held their own in the State Meet, finishing in 6th place. Annie Leadbetter repeated her 2nd place finishes in both slalom and giant slalom.

Co-captain Laura Taylor kept the team going with her own personal skiing touches. Also aiding the successful season were Stacey Handy, Judy Blanchard, Sally O'Connell, Carmen Beauregard, and many other underclassmen.

The ski team looks forward to a stronger and better season next year under the direction of Richard Painter and co-captains Maggie Davis and Judy Blanchard.

Majorettes Make Varsity

After a long wait the majorette squad was made varsity this year. The girls performed at all home football and basketball games and, in the spring, they marched in two parades and twirled at the Vermont Special Olympics. The more experienced members added the excitement of twirling fire batons and these girls were captain Eileen O'Brien, Dale Shea, Kathy Seymour, Debbie Begnoche, Carolyn McKenzie and Kim Line.

Golf Team

The golf team had a successful season with strong performances from the five regulars — Pony Pornelos, Mark Johnson, Ralph Lewis, Tim Neary, and Pete Kelley. Pony Pornelos was the MVP

while Mark Johnson received the Coach's Award. Other members who added depth to the team were Tony Albarelli, Alex Park, Dave Bagdan, Brad Manchester, Bob Seibert and Mike Gambero.

Track Depth Shines by the Season's End

This year's Burlington High track team, led by tri-captains Tom Carr, Dan Larrow and Dale Thayer, finished the season with an overall record of 43 wins and 10 losses.

Junior Jack Papin, in his first meet of the season against Rutland and Springfield, jumped 5'11½" to break the BHS high jump record of 5'10" held by Steve Lynch (May 1970) and Phil Payne (June 1971).

The Seahorses showed their potential in the Northwest District Meet held at BHS by placing 2nd to South Burlington. Newcomer Jack Papin again exhibited his outstanding skill by bettering his state record to 6'1½". Tri-captain Dan Larrow deserves recognition for his strong comeback from an illness.

Outstanding performances by three individuals in the State Championship Meet held in Bellows Falls gave Burlington High a 5th place finish. Jeff Ritchie was runner-up in the pole vault, Tom Carr placed 4th in the 880-yard run, and Jack Papin ended up 4th in the high jump.

BHS's three State Meet competitors qualified for the New Englands held in Andover, Mass., on June 14, 1975. Jack Papin jumped 6'1" in the high jump, Jeff Ritchie jumped 12'0" in the pole vault, and Tom Carr ran the 880-yard run in 2:04.

Jack Hart, BHS's top long-distance runner, merited the Most Valuable Player award while Jeff Ritchie received the Coach's Award. Jeff Ritchie and Chris Massonneau were elected co-captains of next year's team.

Young Track Team Gains Experience

The Girls' Track Team posted a strong record this season under the coaching of Mrs. Economou. Co-captains Kim Haley and Penny Shackett, Andrea Leadbetter and Tammy Brokalis led the team with their consistent scoring.

In her first year in track, sophomore Tammy Brokalis achieved outstanding success by setting three new records in the shot-put, a BHS record of 37'3", a district record of 38'8", and then, to highlight her young accomplishments, a state record of 38'10½". Finally, to top off her first season, Tammy received the Track MVP Award.

The team placed 6th in the State Meet, led by Tammy Brokalis with a highly impressive win in the shot-put event. Other competitors in the States were Kim Haley, 3rd in hurdles; Andrea Leadbetter, 4th in hurdles; and Penny Shackett, 5th in the 100-yard dash.

There is enough talent returning next season to expect much success for the young team.

Victorious Racketeers

That Coach O'Brien is "great." Either that or his team is. The BHS Boys' Tennis Team ended the 1975 season with the State Championship Title. This year's team was not only the strongest singles team ever, but it also had tremendous depth in doubles, which showed in the State meet.

Mike Breen and Ian DeGroot served beautiful games throughout the State meet to finish as the State Doubles Champs. Peter Follett, the team's two-year captain was not far behind in the State meet, being defeated by Jeff Stone from South Burlington in the semi-finals.

The entire team gave BHS a super season, ending with 11 wins and only 2 losses. Although the team is losing many strong and valuable seniors, Scott Carpenter, Mike Bickford, and Steve Trono will lead the way for the 1976 team.

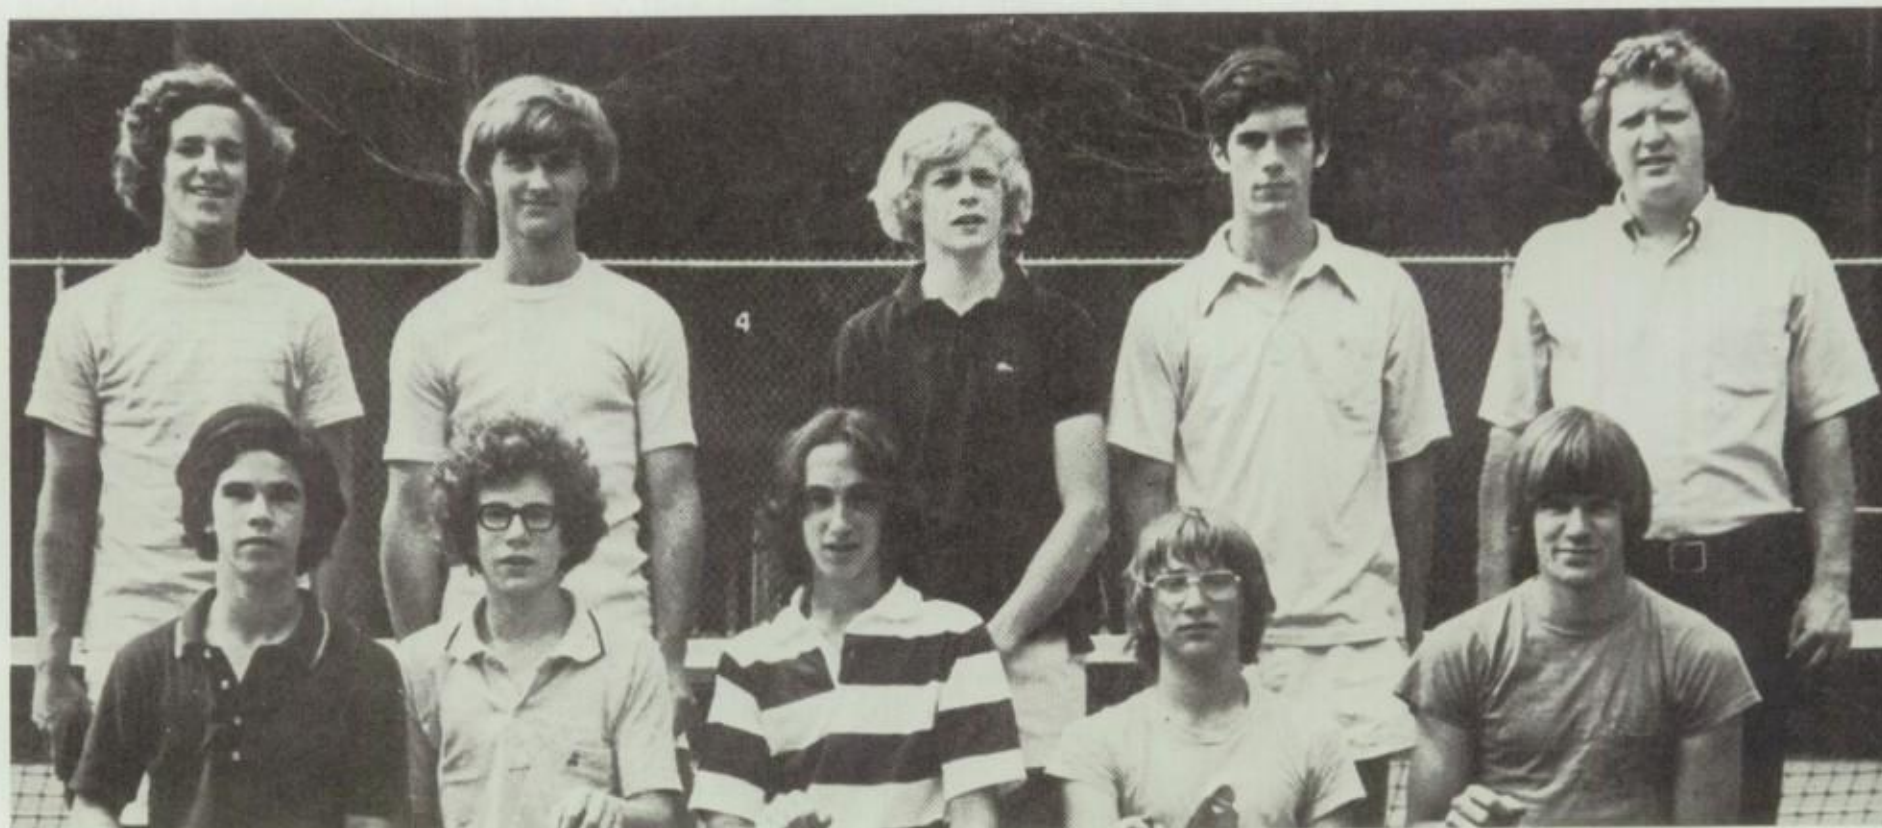

MVP Ian DeGroot concentrates on his upcoming forehand.

Girls' Tennis Racquets Away

After suffering the loss of many valuable tennis players to other schools, the BHS Girls' Tennis Team still came up with an impressive team, ending the season with 6 victories out of 11 competitions. The team not only showed strength in their singles, but also much depth with their doubles. Newcomers and great additions to the singles were Laura Taylor and Maggie Davis, seeded no. 2 and 3 respectively.

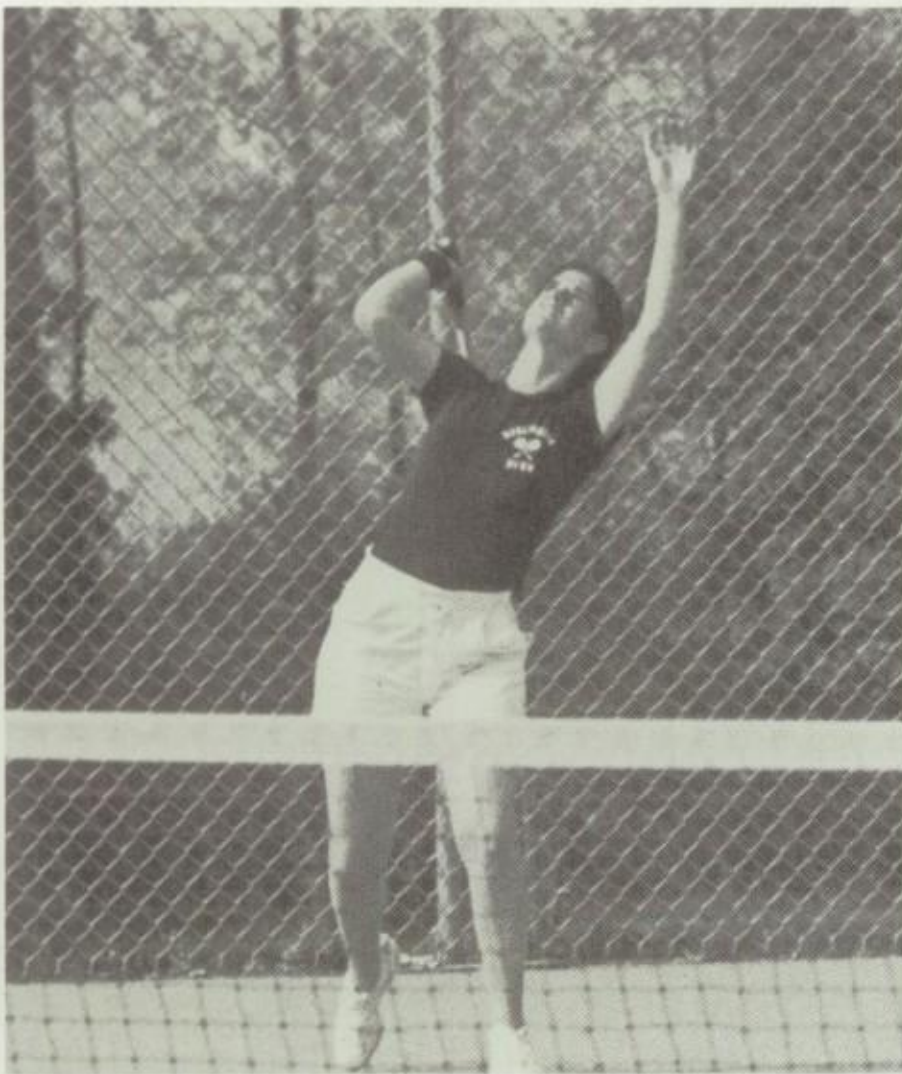

The girls had many exciting matches with the biggest victory over cross town rival Rice High. The meets were highlighted by Coach Cronin's magic smile and the added surprises given to the team members by the co-captains Vikki Amrhein and Ellie Briggs.

Despite the loss of sixteen seniors, the team can look forward to some strong playing by underclassmen. Coach Cronin is sure to do wonders with them as she always does.

Co-captain Ellie Briggs shows how reaching is essential to tennis.

Swing With the Softball Team

The Burlington High girls' softball team, in its first year of varsity competition, finished with a 4-8 record. This record was misleading, however, as the girls outscored their opponents 156-122. Of their losses, four were lost by one run and another by a score of 6-4 to the eventual State Champs, Essex Junction.

This year's team consisted of many fine players. The infield was led by MVP Belinda Emerson at pitcher and Pam Strube at third base (Both players batted over .500.), Julie Trono at catcher, Diane Boettcher at shortstop, and Cathy Mason at first base. The outfield was well defended with Patrice Elmore and Patty Lincoln in center-field and left field respectively. Several players were used at more than one position such as: Gail St.Amour who played first base, second base, and rightfield: Patty Hall at centerfield, rightfield, and second base: and Robin Roberge at second base and pitcher.

Because this year's team, with 24 players, was so large, several girls played only occasionally, and many did not play at all. But, in spite of this, these players gave their teammates much needed and much appreciated support throughout the season.

Since only five players graduated this year, the girls can expect a promising season next year.

B.H.S. Batters Show Strength

Outstanding senior performances, along with the strong help of underclassmen, provided the Burlington High School Varsity Baseball Team with an exceptional season.

Colin Hart, this season's MVP, led the team in batting with an average of .437. This high average ranked Colin third in the league in batting. Captain Jeff Rouille and senior Skip Barlow aided the team with a strong hitting attack, with batting averages of .417 and .315 respectively.

The pitching staff, led by last year's MVP Bob King and a strong Len Whitehouse, helped the team to a 13-3 record for the regular season.

Although the team showed strong determination and was led by supportive seniors Larry Newton and Charlie Lavery throughout the season, the team met with complications and was defeated by Spaulding in the State playoffs, a team they had defeated twice before in the regular season, ending the season unexpectedly.

In spite of losing so many seniors, the team can still look forward to a bright future, being led by Tom Leavitt, Scott Moody, Joe Wark, and Peter Harwood.

Special Events

Girls' State Representatives

Burlington High School was privileged to send eleven delegates to 1974 Green Mountain Girls' State held at Vermont College. The girls spent the beginning of the fast-moving week organizing their model state and its political parties. Then came the hectic campaigning — . . . getting up at 4:30 a.m. to plan a campaign rally, only to find all the outside doors locked . . . lying awake at night searching for catchy slogans . . . trying to find effective solutions for the pressing issues. Meanwhile, the girls attended meetings and assemblies and learned the hows and whys of our governmental system.

Even with the week's hectic schedule they managed to squeeze in many memorable times — sack races and soccer, the big shoe-switches and late night room-switches, the Boys' State band's surprise visit, the midnight streaker, the pizza party, talent shows, Mrs. Dutra's wigs, the big dance . . . and the tearful goodbyes. In only one week these girls gained lasting knowledge, memories and friendships.

By the way, was the mystery of the missing deodorant nozzles ever solved? And did anyone ever confess to the midnight streaking?

Boys' *State* *Representatives*

Burlington High School sent a delegation of eight boys to 1974 Green Mountain Boys' State at Norwich University. In one short week, they organized their own model state and political parties, campaigned for various town and state offices, held elections, and then set their government in session.

Through hard campaigning David Kleh was elected to the high State office of Attorney General. Pat O'Connell also held a vital

position as a judge.

Even with such a hectic schedule, there was always time for fun and new friendships. During free time one could participate in sports activities, play in the Boys' State Band, or work on the daily newspaper. After being away from girls all week, the Girls' State-Boys' State Dance provided relaxing enjoyment.

All State

The forty-eighth annual Vermont State Music Festival was held in Burlington, May 8-10. Thirty-two BHS students were selected because of their excellent audition results to represent the school in the band, orchestra, or chorus.

Students from all around the state arrived Thursday, the eighth, to begin rehearsing. That evening, the Creativity Contest was held, at which Tim Nelson's composition, "Composition for Brass Quartet," was performed. The dress rehearsal was held Saturday morning, and at noon the Music Festival Parade began. Fortunately the weather was good. There was a matinee performance at 3:00 and the evening concert, including the presentation of awards, began at 8:00. Both performances were held in Memorial Auditorium and, as usual, were well attended.

William J. Mahan conducted the All State Orchestra, which performed a joint-piece with the chorus: "Slava" by Rimsky-Korsakoff. Mr. John H. Hanson directed the band, and Dr. John P. Raymond conducted the chorus. Mr. Patrick served as manager of the chorus this year, and Mr. Lesem was manager of the orchestra.

Tim Nelson received a \$125 scholarship for his composition, and Pushpa Lall received \$50 for excellence on the flute.

Seven BHS student musicians were selected to participate in the Music Educators' National Conference-Eastern Division held in Philadelphia April 18-21. After waiting two hours to register, the students retired to their rooms at the Philadelphia Hilton Hotel. This all seemed too good to be true until they tasted the indescribable food supplied by nearby Drexel University. Long, strenuous rehearsals preceded a superb performance at Philadelphia's Civic Center Auditorium.

As for the All New England Music Festival held in Barrington, Rhode Island, BHS musicians prepared for auditions from September to December. As a result, twenty-one students found themselves traveling via school bus to take part in the event, which was held March 13-15. Needless to say, the ride was a restful one, and Mr. Patrick, who served as bus driver, managed to get lost only once. Students stayed in hosts' homes during the festival, but spent most of their time on the Barrington College campus, where rehearsals and two performances were held. Joseph Huszti of Boston University conducted the chorus, Victor Yampolsky conducted a magnificent orchestra, and Dr. William Gaver directed the band.

Café International

Every year the A.F.S. Club of Burlington High School features its own version of the European style of outdoor dining. Specially prepared dishes from all over the world make up the menu. Students and faculty take their meal at their leisure in the fresh open atmosphere on the deck of B building. A mixture of sunshine and stimulating conversation enhances the remainder of the afternoon. The German Band was unable to attend this year with the traditional "oom-pa oom-pas," but the club hopes they will add something to the next annual gathering. Supplementary entertainment this year was provided by a small group of musically inclined students. All in all, the event was quite a success and everybody who attended had a splendid time.

Wellesley Experience

The most memorable experience for the A.F.S. Club members was the trip to Wellesley, Massachusetts. The group spent four days there with the correspondents and their families partaking in various activities in the area. They rode the metro downtown where everyone split into little bands to take in the sights. Harvard, the Boston Common, parts of the Freedom Trail, and Durgen Park were some of the attractions. It was a great success.

Student Council Members

Student Council

Student Council President Diane Sumner led the semi-active '74-'75 Student Council in activities for the school and community with the help of Vice-president Maureen McMahon, Treasurer Robbie Kurth, Secretary Andrea Barton, Parliamentarian Maggie Davis, and Sergeant-at-Arms Colin Hart. Among the Council's school-oriented functions were five or six dances, candidate and school board forums, simulated elections, constitutional changes concerning club advisors, and money donations, and funding other clubs in the school that requested financial help. For the community, the Council raised money for UNICEF, collected canned goods and money for turkeys at Thanksgiving to give to needy families, and, in conjunction with Rice High, worked at Red Cross Blood Drawings at Christmas, for which the school was awarded a plaque for citizenship and assistance.

In May, '75-'76 President-elect Jim Burnett took over the Council with Robbie Kurth as vice-president. Under their leadership, the '74-'75 Council helped in the Special Olympics and made plans to get more involved with the School Board next year.

President Diane Sumner conducts Council.

Honor Society

The National Honor Society began the year with 25 members who elected the following officers: Joanne Wall, president; Marianne Trono, vice-president; Mark Johnson, treasurer; and JoAnne Young, secretary.

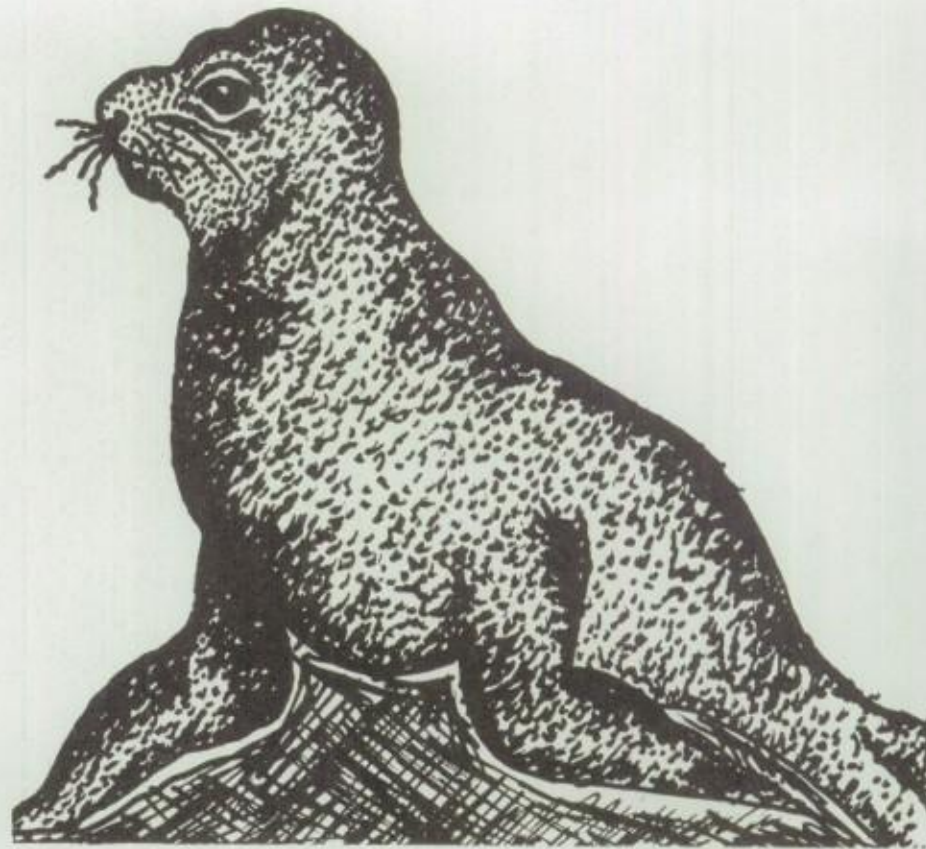

The club's first project was to help educate BHS students about the senseless, brutal killings of thousands of baby seals in Canada by fur traders each year. A film was brought to the school and a poster was displayed in the library.

The Honor Society elected Mark Johnson and Caron Bove as applicants for a nation-wide scholarship given by the National Chapter of the National Honor Society.

The Honor Society raised money by means of several bake sales to help pay for an advertisement in the OREAD and for the January induction ceremony of new members. Mr. Reinholz, Superintendent of Schools, was the guest speaker at the ceremony where 50 new members were inducted.

The major project for the Honor Society was to raise money for "Dollars for Scholars." The club was very successful and collected over \$1,000.

The year closed with the induction of next year's members at the annual Academic Awards Assembly, June 4, 1975.

Debate Club

This year was an exciting year for the debate team. In October Larry Press and Robert Kurth won the first trophy of the season in the Bronx. In November the varsity team went to U. Mass., and then the team had its own tournament here at BHS. In January Nancy Call and Richard Davis went to a bicentennial tournament in Philadelphia. The following weekend, the Burlington varsity team competed with the rest of the state in Montpelier, for the honor of going on an all expense paid week-long trip to historic Williamsburg, Virginia. Although it was a close competition, Nancy Call and Richard Davis won the trip. Meanwhile, Larry Press and Robert Kurth were winning in state. Tim Dyck, Shireen Eckhardt, and Nancy Twitchell were also making a very good showing.

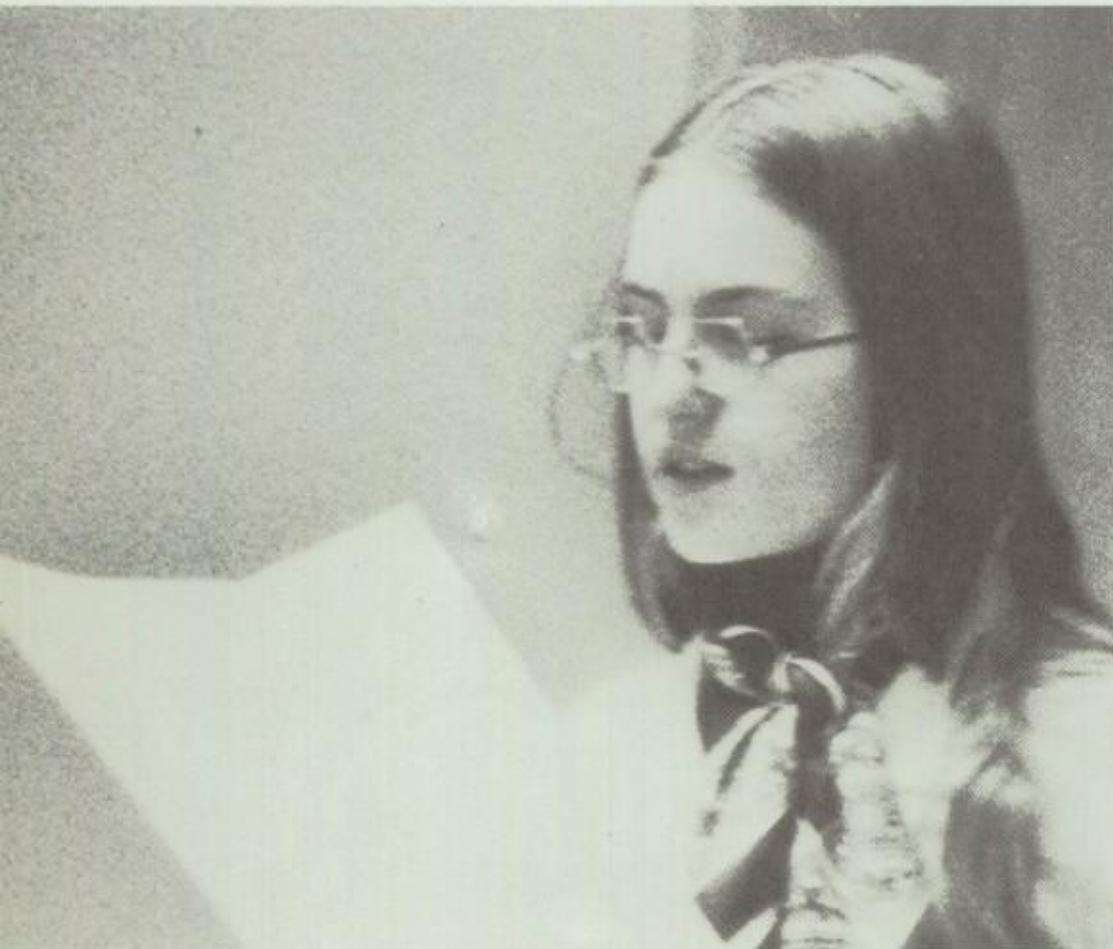

The novice debaters, especially Paula Knight, Holly Brock, Vincent Lascoumes, and Tom Parris, won almost all the in-state tournaments.

At the Vermont State Tournament, Burlington swept all divisions. In the varsity division, the final round finished BHS vs. BHS. The novices also took first place in their division, and Elaine Cronin received the coaches' award.

Officers for the 1974-75 season were Richard Davis, president; Nancy Call, vice-president; Tim Dyck, secretary; Shireen Eckhardt, historian; Robert Kurth, NFL secretary.

Shireen Eckhardt pauses to formulate her rebuttal.

A.F.S. Club

Although Burlington High School did not host an exchange student from a foreign country this year, the AFS Club did have many new experiences. The year began with an organizational meeting where Peter Follett, who had just returned from an AFS summer in Switzerland, was elected president. Other officers elected were Pushpa Lall, vice-president; Jane VanBuren, secretary (1st semester); Shireen Eckhardt, secretary (2nd semester); and Jim Burnett, treasurer.

Sophomores were allowed to join the club for the first time in BHS history.

Jayne Deane was selected to spend a year in New Zealand, representing BHS and the United States. Pushpa Lall was selected to spend the summer in Germany.

In the spring, the AFS Club took part in an exchange with Wellesley High School, Mass. Their AFS Club came to snowy Vermont for a weekend of skiing, skating, and fun. The BHS Club fulfilled its part of the exchange in April. After a great weekend of parties and friendships, climaxed by a trip to Boston, the club members returned to Burlington with many memories and new-found friends.

AFS Week ended the activities of the 1974-75 Club. Café International, combining international cultures and cuisine, was an enormous success. Following the café, an assembly was held at which Peter Follett and foreign AFS students showed slides and spoke of their experiences in AFS. It was a fulfilling year for all those who participated in AFS activities.

Peter Follett — on Switzerland

Ten weeks in one place might ordinarily seem like a long, long summer, but my AFS summer in Switzerland came to a close all too soon.

As an AFSer I lived with a German speaking family and tried my best to fit into the Swiss life style and culture. I think I did. I spoke French pretty well and brushed up on German before getting there. (My blonde hair may have helped. Few Swiss seemed to look at me as "obviously American.") My host family were well-to-do Germans who had moved to Switzerland because of their business — Industrial Textile Machinery. My Swiss brother gets only five weeks of summer vacation and when he arrived we left for their summer cottage on a lake in West Germany where we did a lot of sailing and motor bike riding. When he returned to school, my Swiss mother and I left for the Swiss Alps where they have a mountain chalet. Here we hiked a lot and I enjoyed my first August skiing. Travel through the valleys and mountains and over cliffs was spectacular and exhausting. After my stay in the mountains I joined my brother, Martin, at his school. Their ten courses and six-day school week left little time for sight-seeing in Zurich. All too soon it was time to say a sad, but not final, "Auf Wiederluege" to all my new Swiss friends. It was hard to leave a place that I'd come to love so well.

Drama Club

The Drama Club kept busy all year round with its productions. Before Christmas vacation, they put on the play *DARK OF THE MOON*. The rehearsals sometimes seemed endless and, in the end, everyone knew everyone else's lines, but it was all worth it. The only unrehearsed part was when the axe got stuck in the log because of a hard-swinging actor.

Soon after, tryouts began for "A Night of One-Act Comedies," including *THE SANDBOX*, *ADAPTATION*, *MIKE AND SUSAN*, and a Western pantomime. The variety of comedies entertained the audience, but everyone agreed that the master of ceremonies, Rick Davis, provided the most amusement with his ad-lib explanation of Theater of the Absurd.

Math League

The BHS Math League competed in five meets this year with other area high schools (CVU, Essex Junction, Winooski, Rice, South Burlington). They won twice, placed second twice and placed third once. They won the league championship and qualified to attend the New England Math League Meet in Boston on May 9. Unfortunately many of the key members were unable to attend, so the team did not go. Four members attended the North/South State Meet but lost to the Southern team after close competition.

Detour

To begin the year's activities the DETOUR staff sponsored a fall poetry contest with former UVM student Tinker Greene as the judge. Peggy Copp and Mary Rothwell wrote the winning poems; honorable mention was awarded to Deane Albarelli, Karen Behr, Melissa Bensen, Lou Gaudreau and Mary Rothwell. Then came the real work of reading all the entries for the 17th annual DETOUR. They held numerous sessions at several staff members' homes until

they made the final selections of poetry, prose and art. Lou Gaudreau and Miss Elmer did the final typing on the composer in the BHS Print Shop, and as each signature was completed, Mr. Art Bushey and his students prepared the sheets for the presses. Meanwhile Fred Letourneau wrote a constitution for DETOUR in order to make it eligible for Student Council financial assistance. By the end of May the flurry was over and the magazine was on the presses.

The French Club

The illustrious "Cercle Français" met on various occasions to perform necessary club business and to organize their events. The elected officials were Jim Keefner, president; Jan Williams, vice-president; Pushpa Lall, secretary; and Stephanie Augusta, treasurer. The French Club was matched against the Spanish Club in a volleyball game, which was their main inter-club activity. A bake sale was

held to fund a theme project, but the ideas didn't seem to get well off the ground. The cash will become the base of the 1976 club treasury.

The French Club served as an outlet for an interested group of students who desired to express themselves in a cultural way. They had a wonderful time.

The Spanish Club

The trip to Spain highlighted the active year of the Spanish Club. The youthful travelers had the most enjoyable time there, sightseeing in the magical cities of Madrid and Grenada, even attending an afternoon bullfight. Returning to the Burlington scene, they competed in a friendly soccer game versus the vulnerable French Club, which ended in glorious victory for them. Joanne Wall reigned as president, with Tony Albarelli the diligent vice-president, Cindy Chaffee the secretary, and Lori Chalmers the treasurer. During the festive Christmas holiday, a traditional piñata became the center of attraction at the dinner party they hosted. The club had a great membership and had celebrated success at their meetings.

The German Club

The 1974-75 German Club began the year with the election of the following officers: Scott Carpenter, president; Peter Follett, vice-president; David Chicoine, treasurer; and Jan Williams, secretary.

The club's first activity was to entertain a group of German students visiting Vermont. The club members took the Germans on a ferry ride and then took them home to show them "real" American homes.

The Christmas dinner was held at Lee Slocum's house, where Peter Follett showed a film of his trip to Switzerland and spoke of his experiences there. At the February meeting some club members tried their hands at German cooking; wiener schnitzel, apfelkuchen, and German potato salad were among the foods on the menu. For entertainment, the club sang German folk songs.

The May meeting, held at David Chicoine's house, combined a farewell party for student teacher Ruth Bashaw (Fraulein Biebes) with the annual end-of-the-year meeting.

The Latin Club

The Latin Club remained active throughout the year. Their first meeting was at Ed Clement's house, where they had a nice dinner and an exciting ping-pong tournament. Following this, there was a meeting at Mrs. Cronin's and then a very nice dinner at Joe Wark's house. Their next to last meeting was a swimming party at Laurie Ellis' house. In May, the Latin 3-4 class took an educational week-

end trip to Boston to visit the classical museum. The year ended with the usual final banquet.

This year's officers were Consuls Tom Perrin and Colin Hart, Praetor Joey Wark, Quaestor Ian DeGroot, Aedile Kim Haley and Fred Ambuhl.

Total Immersion Students

T.I.V

The first semester of Total Immersion prides itself on upholding the typical student attitude of the course before actually experiencing it. Jean-Pierre would remember this group for many reasons. Above and beyond the minor problems in the classroom, it was quite enjoyable, and many lasting friendships developed from it. An intriguing lapse of memory caused much disgust when Jim Keefner got himself and a few others lost in downtown Montreal as they searched for a little restaurant to have lunch at. Their performance of "Huis Clos" remains unsurpassed as the most dramatic presentation of all the previous groups. George Goulet was, if anything, the tallest devil the stage has ever seen. Susan Bourne and Dorothy Walker occasionally graced everyone's ears with an enchanting melody on the piano. In France, they demonstrated their talents in skiing characterized as being "beaucoup plus mieux que les autres" during the stay in the Pyrenees mountains. Winding up the session in January, they found themselves at most compatible levels with each other and felt that they had truly accomplished something that would remain as a very dominant part of their high school years. It was a learning experience deserved by all devoted French language students.

Susan Bourne is delighted by the prospect of leaving for France.

T.I. VI

Total Immersion VI was held during the second semester of the 1974-75 school year. During this time, the group studied the French language and lived the French culture whenever they were together. Besides their normal classes which were, of course, taught in French, the students tried their hand at French cuisine — a very important element of French culture. They also devoted much time to the play "Le Petit Prince," which was presented twice in Burlington, twice in Montreal, and once in France. Also included in the program were several field trips to French communities where the group had a chance to use the French they had learned. What better place is there to practice one's French than in France!

Business Club

The BHS Business Club started out their year with their major fund-raising project, the Tom Watt Kit. A few weeks later, the ole yellow bus took the club to Silver Lake for a hike. Some ambitious people hiked all around the lake, while others sat on the shore and ate.

Next, they went for an overnight stay in a Stowe lodge, The Round Hearth. Along with the music and dancing, they held a sing-

ing contest followed by popcorn, Big Ben's pizzas, and soda. After viewing the films of last year's activities, they retired to short-sheeted beds.

In February, they rented the Roller Skating Rink in Malletts Bay for an evening of fun and laughter.

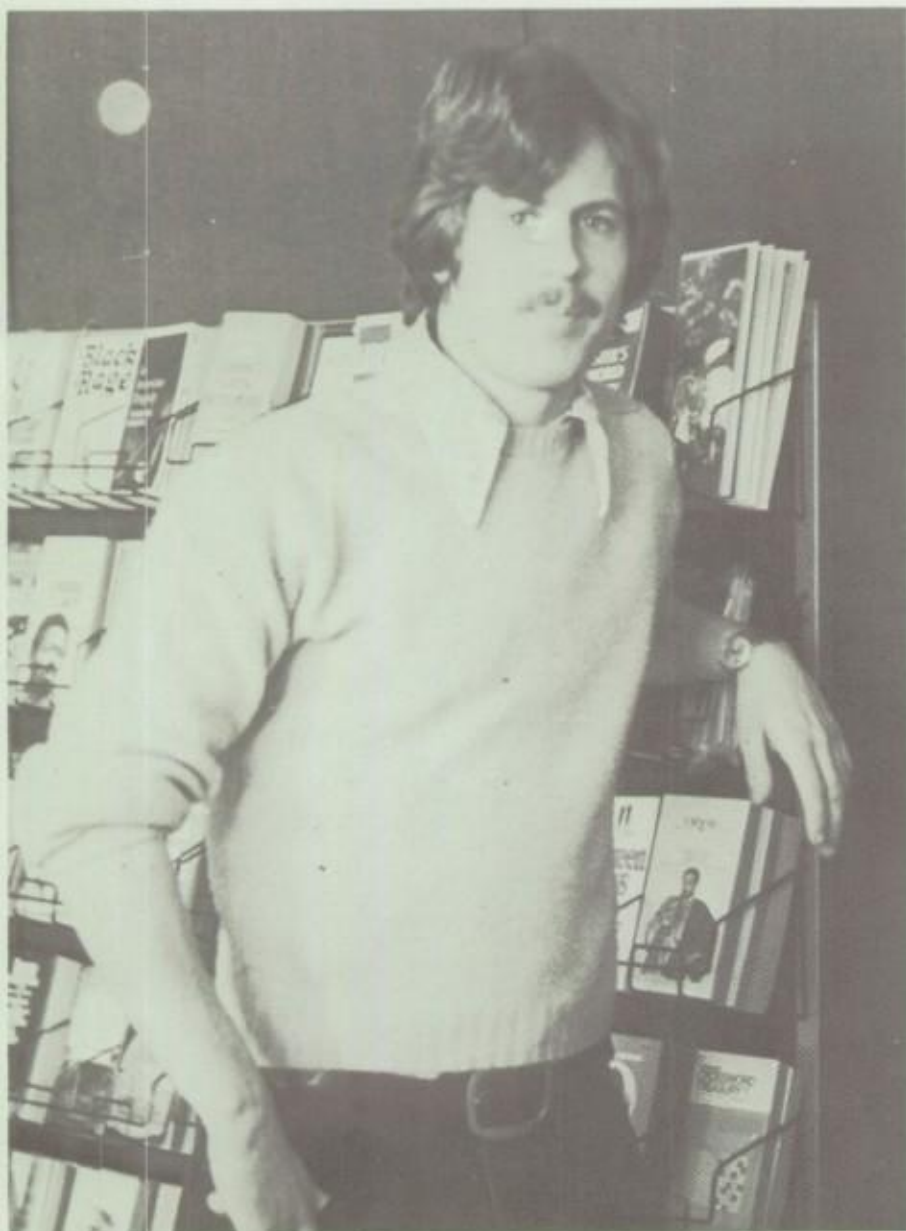

They closed the year with a banquet held at Marble Island. After dinner, Mr. Blanchard led the crowd in modern dancing.

Distributive Education Club of America

During the 1974-75 year, DECA club members participated in a number of activities. At Thanksgiving they gave the children at the St. Joseph's Child Center a traditional turkey dinner with all the trimmings.

Club members gave the pediatrics ward of the Medical Center Hospital a Christmas party. Their Santa Claus and twelve elves distributed toys and refreshments and sang Christmas carols.

The state DECA organization held monthly meetings in Randolph and Montpelier.

Vocational-Industrial Club of America

The VICA Club had another very enjoyable and profitable year. The most popular activities were an ice-skating party at Leddy Park, a bowling day at Champlain Lanes, a VICA-sponsored dance at Burlington High, and a firewood cutting and sale.

The Burlington VICA Club was very successful in the Vermont State VICA Skill Olympics at the Randolph Area Vocational Center, securing three 1st, three 2nd, and four 3rd places. The club sent four State Skill Olympics winners to represent Burlington, Vermont in the National VICA Skill Olympics in Washington, D.C.

Interact

Once again the Interact Club, under the leadership of Mr. Barry, found plenty of work to do in the community.

To begin the year the group elected its officers: Andy Ryan, president; Peter Follett, vice-president; Chris Beaudin, secretary; Mark Sussman, treasurer; and Colin Hart, sergeant-at-arms. In the fall the group manned the concession booths at the Rotary Auction.

Soon after, the troops assembled and were sent out to distribute United Way posters. For Thanksgiving, Interact purchased turkeys for the needy.

Everyone worked hard, but of course there was always time for play.

The Band

Sophomore Committee

This year's Sophomore Steering Committee consisted of ten members. Elections were held in January, and Karen Hershberg was selected almost unanimously to be committee chairperson. The group had high hopes and planned a bake sale to raise money for a class picnic.

T. Evans, S. Fleury, J. Palm, S. Hand, T. Auer, H. Brock.

Junior Steering Committee

The Class of '76" Steering Committee had a very busy and productive year.

To start the year off, they held their second annual Slave Day, which netted their treasury one hundred eighteen dollars. Their next step was to approach the Student Council for one hundred dollars. Once their case had been stated as to why they needed the

money, Council approved the request and gave them the money.

After all this, they had several smaller money raising events, such as bake sales and concessions at the dances. Their next project was an auction that was held in late May.

The goal of this year's Junior Steering Committee was to promote a Junior-Senior Prom where Burlington High students could and did spend "An Evening in Paris."

Front Row: N. Godbout. Back Row: B. Zaetz, L. Lavallee, S. Agusta, Mrs. Marvin, C. Nanna, M. Herms, J. Burnett. Missing: D. Lloyd, S. Keranen, T. Patterson, Mr. Danyow.

Senior Steering Committee Succeeds

"C'mon you *!?!* guys!" Once again, seniors exasperate Freddie.

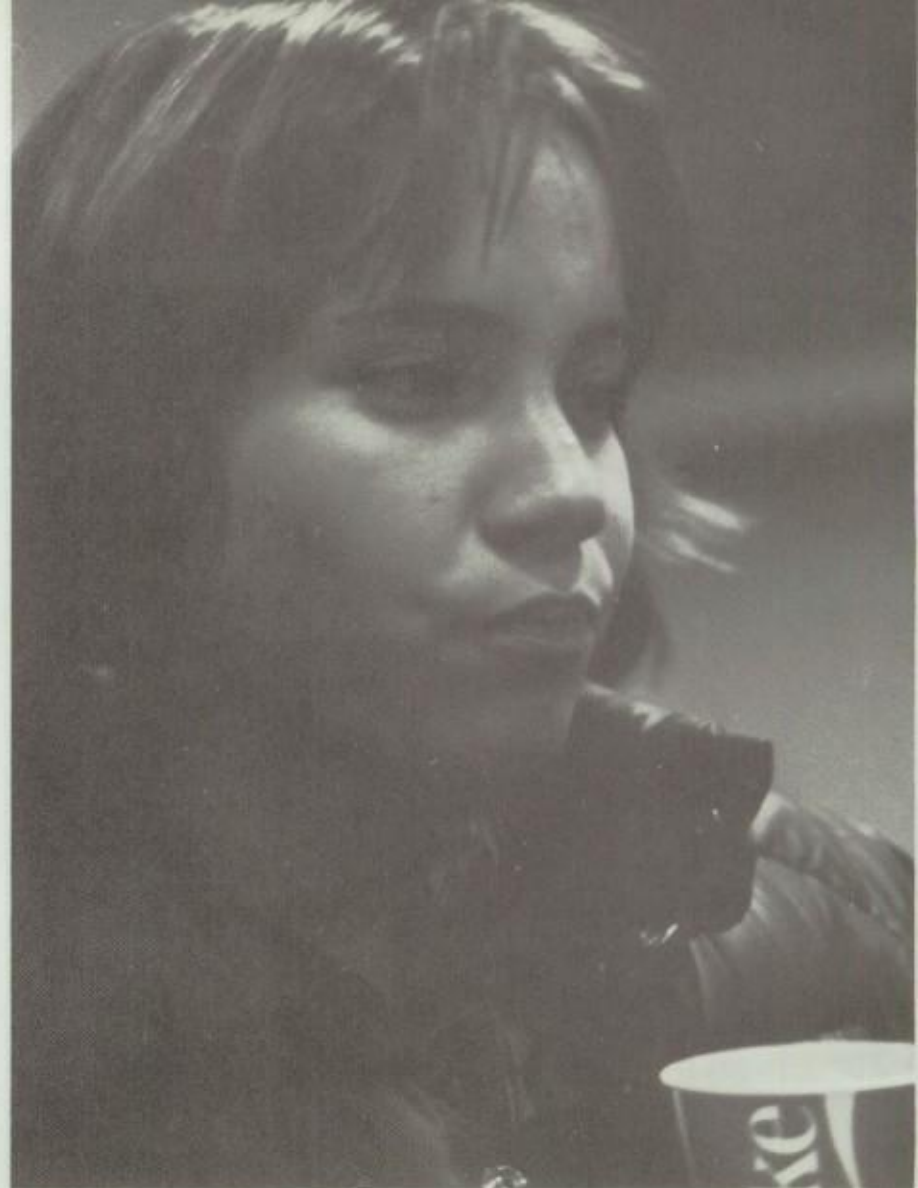

The 1974-75 Senior Steering Committee consisted of a large group of active and interested seniors. Meeting once a week with advisors Freddie Mahlmann, Rufus Patrick, and Gail Corbett, the committee organized assorted fund-raising activities to earn money for end-of-the-year celebrations. Through bake sales, dime-a-dip suppers, coat checks, and a very successful night of roller skating, the Senior Steering Committee provided their class with a band for the Junior-Senior Prom and a memorable Senior Banquet.

Proud and happy committee members pose.

Bottom Row: L. Percy, N. Metivier, R. Bickford. Row 2: P. Copp, B. Smith, C. Hart, J. Greenfield, K. Lara, L. Taylor. Row 3: S. Snow, K. Carpenter, M. Batten, D. Fletcher, S. Handy, E. Briggs, S. Seniors Last Will and Testament

I, Mary Poulos, being of unsound mind and body, do hereby bequeath all my excess fat to Martha Tormey in the hope she will use it, perhaps for drama purposes in the best way possible.

I, Jane Van Buren, leave my one skirt to Pam Keeler who has none.

D. S. leaves 10 pounds from Thanksgiving to B. B.

I, Paul Turmelle, leave to Kim "Five Dinar" Phelps an astronomical sum of dinars in the hope that she can make an honest living after high school. Also I leave my value oil to Dick "Greasy" Ianne.

I leave my knowledge of music to Tim Nelson, who desperately needs it — Guy Page.

I, Kathy Carpenter, leave my eucalyptus cough drops to Mr. Patrick.

I, Mark Harris, leave my most abundant commodity, table muscle to Mary Poulos; no more could hurt her.

Also I leave my great height to "Shorty" Sapulding.

I, Pam Keeler, hereby leave any deformed apples to Rick Davis for furthering his anatomical knowledge.

I, Barbara Smith, hereby bequeath one year's supply of 'Starbursts' to Mr. Zagajeski to be delivered by Shireen Eckhardt.

I, Robert Seibert, leave to my sister the unused portion of my brain and a couple of my A's. I also leave to the BHS Science Dept. all of the aquarium set-ups and fish and one hand with 1,000 aces (only once) to Mike Gamber and my badly used double deck to Mike Gianni.

I, David Chicoine, co-editor of the 1975 OREAD, leave to next year's staff Shireen Eckhardt, since she will have plenty of time after "our friend," alias "Magpie," has flown the coop.

I, Mary Kimball, leave my marvelous train of thought, enormous capacity for "understanding," and all of my questions to Mr. Kent.

I, Barbara Richards, being of unsound mind and body, do hereby bequeath my band hat cheers to Lonnie Woodward — use it in good health; and I leave the grand and glorious music dept. at BHS(!?!) to Mike Seymour and Marty Pinard. Don't do anything I wouldn't do.

I, Brian Hayes, hereby bequeath one 5 lb. bag of grass seed to Mr. Calcagni in hopes that his lawn may one day look like it belongs there.

I, L. W., leave my body to the Science Dept. of BHS.

I, Robin Bickford, leave my excellent skiing ability to my brother, Mike. He needs it.

I, Diane Richell, hereby leave my books, great personality, and voice to my twin sister Brenda. I also leave my used Elementary book to Mr. Chan, who has been a great help but doesn't really need it.

I, Pam Keeler, leave Guy Page my singing voice, and I, Jane Van Buren, leave him my stiff shoulder.

We, Karen Behnke and Lianna Percy, leave the most delectable parts of "Our Cat" to Willie Smith and all her future students.

I, Lesley Maxon, known to be of unsound mind and body, do hereby leave my only worldly possession, the band department, to Mike Seymour and Marty Pinard. May they have as good a time in it as I have. Take care of it; keep it alive; and don't do anything I wouldn't do.

I, Geri Reilly, leave my fantastic Oread skills to Miss G in hopes that she'll be able to "bleed in the gutter."

I, Nancy "Moose" Metivier, leave to Karen Behnke and Robin Bickford my outstanding ability to cope with the opposite sex. I also leave fond memories of the table mods 12-13.

I, Cathy Collins, leave to my friends memories and thoughts of matrimony. To Mr. Patrick and Mr. Levis, I leave my voice. To the cafeteria staff, I leave all the change I lost in the vending machine. To Mr. Roe and Freddie, my mind, and to Mr. Gibson, my problems. To the future, I leave the destiny of my friends.

To B. D. Manchester, I, Mike Fredette, am giving the "ferd" word.

I, Ken Fink, do hereby leave my Pepsodent toothbrush to Mike Gilbert, in hopes that one day the scum may erode.

I, J.A.S. hereby bequeath my knowledge of new math to Mr. Chan. My physics labs to Mr. Barry.

We, the senior class, leave the class of '76 to Albert Ellis. Lots o' luck!

CONGRATULATIONS ... SENIORS!

... now let's talk about your
future financial plans at
Vermont's Largest Savings Bank

Maybe you haven't thought much about it until now, but there are many ways the old bank can help you in the years ahead. Assistance obtaining a student loan to continue your education, savings plans that pay the highest rate of interest to make it possible to get a home

mortgage, and some pretty good advice on how to handle money from the Specialists in Thrift.

Stop in at the bank and talk it over. We have been helping students plan for the future since 1847.

Congratulations From the Honor Society

Long ago,
we were just a small,
insignificant part of the world.
Then suddenly —
a ray of light,
a hand holding out the future —
we heard a voice
and answered
like a seed in springtime
answers to the earth.

We look at yesterday,
we remember the sunshine and rain
that nourished us.
We look onward and see new light,
and hear new songs;
we must follow.
Our lives are significant
now.

The Navy doesn't have "here today, gone tomorrow" jobs.

The Navy offers jobs with potential. Jobs with a future. With room for growing. Success. And challenge.

We'll train you for high-skilled work if you qualify.

From sea-going engineering, medical technology and electronics. To jet engines, welding and construction.

Be responsible for your own work. Or you can be a leader of other men. (And you'll swab your share of decks, too.)

Either way, you'll work hard, have good times, meet good friends, and see some of the world.

Talk to your local Navy Recruiter. Chief (Sonny) Paronto, United States Navy, Tel. 862-7091.

A good job. A good life. The Navy: it's a good deal.

Be someone special. Join the Navy.

"The Original Refresher Course."

History.

When man needed transportation, he invented the wheel. When man needed warmth, he discovered fire. And when man needed real refreshment, he invented the real thing, Coca-Cola.

English.

Coca-Cola (Koka-Kōla)
Coke (Koke): trademarks which identify the same dark-colored, delicious, carbonated soft drink. This unique tasting soft drink gives real refreshment, pleasure, fun, quenches thirst, it's the real thing.

The classic bottle.

Math.

Man X is working in the sun where it is 97° .
 Man Y is working in the shade where it is 92° .
 Both X and Y then have a bottle of Coca-Cola, (ideally served at 34°).
 Construct an equation:

$$X + Y + \text{refreshing Coca-Cola} = X + Y - \text{thirst.}$$

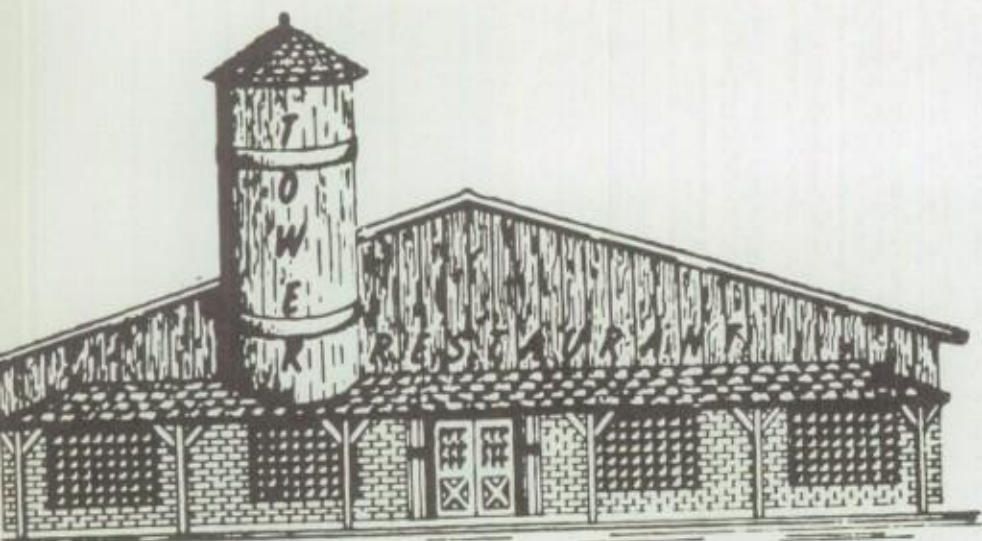

Poetry.

It's the real thing.
 In the back of your mind,
 What you're hoping to find,
 Is the real thing.

It's the real thing.
 That's the way it should be.
 What the world wants to see,
 Is the real thing.

**It's the real thing.

unwilling to
look back*

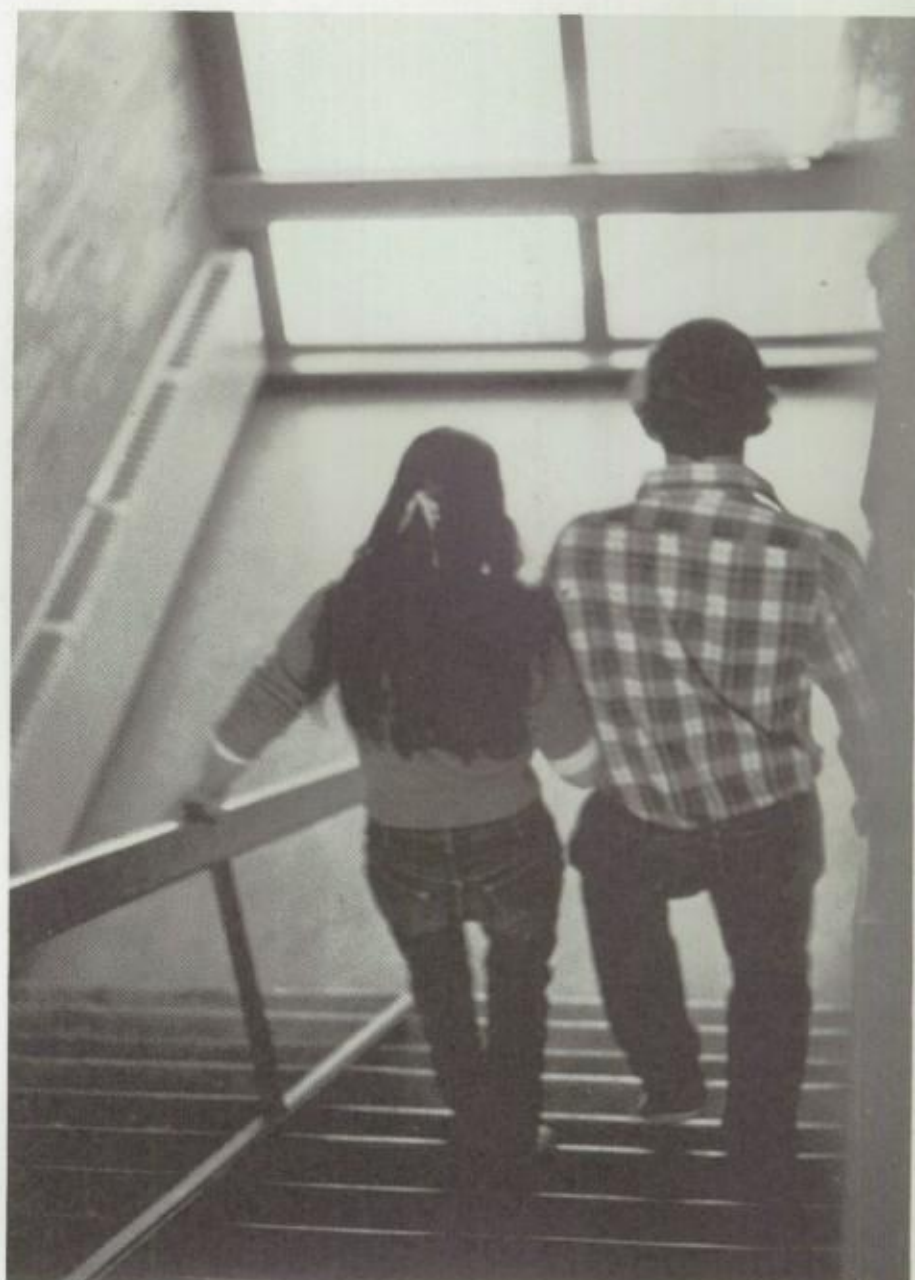

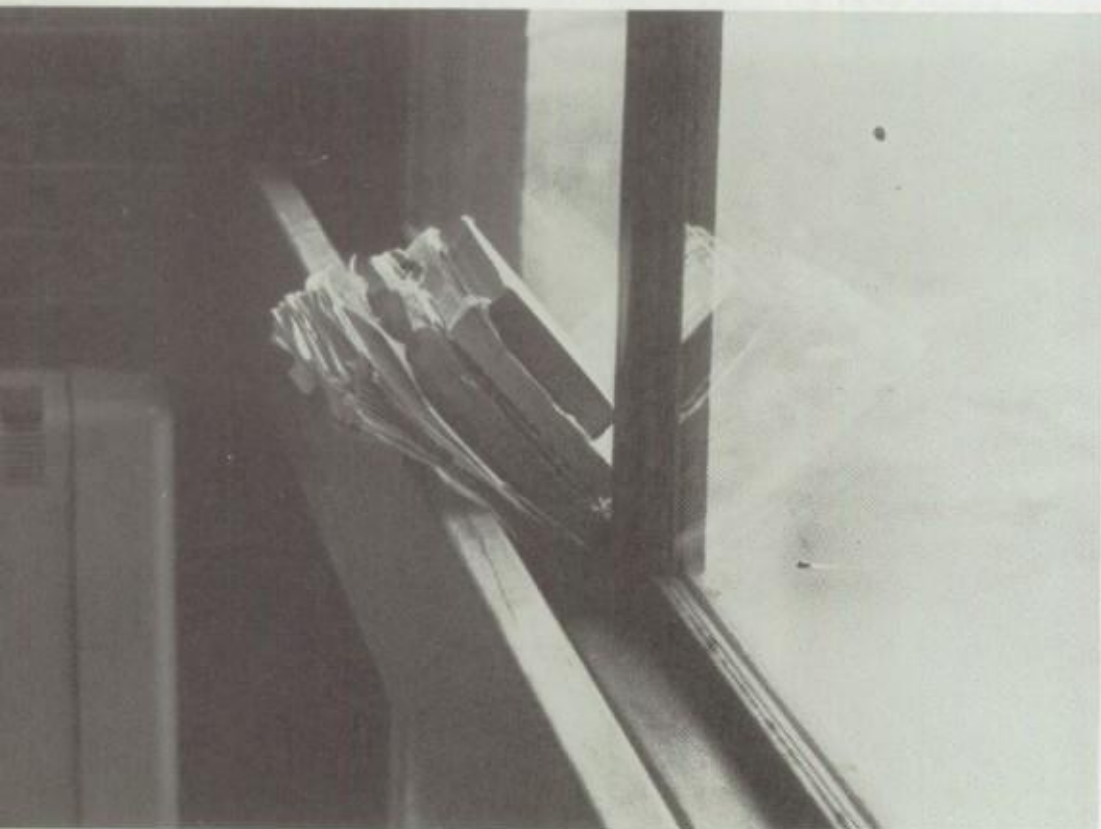

*look at us tomorrow —
unsure of ourselves
yet ready to meet
any challenge
set before us
ready to follow
the rising sun*

*look at
the reflections
of our
high school
years*
